1.1 TITLE

These regulations shall hereafter be referred to as the “City of Lebanon Indiana Unified Development Ordinance,” and it may be cited and referred to as the “Zoning Ordinance”, “Subdivision Control Ordinance”, “Unified Development Ordinance”, “UDO” or “Ordinance”. Combining the Zoning Ordinance and the Subdivision Control Ordinance into this Unified Development Ordinance reduces redundancy and increases efficiency in the application of laws applied to land development in the City of Lebanon (City).

1.2 INTENT AND PURPOSE

The purpose of this Unified Development Ordinance is to regulate the use and development of land within the jurisdiction of the City of Lebanon. It is intended to promote the public health, safety and general welfare, and more specifically to:

- A. Guide future growth and development in accordance with the Lebanon Comprehensive Plan and Center Township Thoroughfare Plan;
- B. Divide its jurisdictional area into districts of such kind, character, number, shape, and area as may be considered necessary;
- C. Limit the height, area, bulk and use of structures erected;
- D. Determine the use and intensity of use of land and lot areas;
- E. Determine the area of front, rear and side yards, courts and other open spaces about those buildings;
- F. Provide adequate light and air;
- G. Prevent the overcrowding of land and avoid undue concentration of population;
- H. Facilitate the adequate provision of transportation, water, sewage, schools, parks, and other public requirements;
- I. Avoid scattered and uncontrolled development of land that would result in excessive expenditure of public funds for the supply of community services;
- J. Protect the historic and architectural heritage of the City’s central business district (downtown);
- K. Provide for performance standards for the emission of pollutants into the air, water, and ground; and
- L. Protect the natural resources of the City of Lebanon.

1.3 INTERPRETATION

In their interpretation and application the provisions of this ordinance shall be minimum requirements adopted for the promotion of the public health, safety, morals, convenience, order, prosperity and general welfare.

- A. **Conflicting Requirements.** If two or more provisions within this ordinance are in conflict or are inconsistent with one another, the provision which is most restrictive shall control.
- B. **Overlapping Regulations.** When this ordinance along with private covenants, private contracts, commitments, permits, agreements, state laws, federal laws or other regulations applies to a structure or parcel of land, the greater restriction shall control. In no instance shall this ordinance be interpreted as altering or negating any other applicable regulations.

1.4 APPLICABILITY AND COMPLIANCE

- A. All buildings erected hereafter, all uses of land or buildings established hereafter, all structural alterations, remodels, renovations, changes in required exterior material, changes in site or site flow, and relocation of existing buildings occurring hereafter, and all enlargements of or additions to existing conforming uses exceeding thirty percent (30%) of the existing site or structure occurring hereafter as determined by the Administrator shall be subject to all the regulations of this Unified Development Ordinance as they apply to the zoning districts in which such buildings or uses of land shall be located. Interior alterations or remodeling is exempt from this ordinance, but is subject to the standards of the Lebanon Building Code.
- B. This ordinance shall not be construed as abating any action now pending under, or by virtue of, the prior existing zoning ordinance; or as discontinuing, abating, modifying, or altering any penalty accruing or about to accrue; or as affecting the liability of any person, firm, or corporation; or as waiving any right of the City of Lebanon under any section or provision existing at the time of the effective date of this ordinance; or as vacating or annulling any rights obtained by any person, firm, or corporation, by lawful action of the City of Lebanon, except as shall be expressly provided for in this ordinance.

1.5 TRANSITION RULES
